

Jambolaja (On the Bayou) Step 3

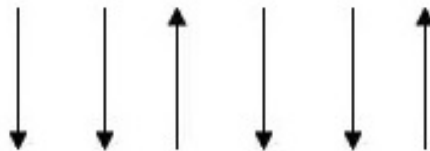

The combination of arrows above the song title shows the song's main rhythm.

The down arrow indicates the strumming of the right hand from the top down, and the up arrow shows when the action of the right hand is the opposite.

The number of chords in a song shows how many times the main rhythm – the combination of arrows above the title – must be played.

With your right hand, strum the pattern shown
